SURFACE WATER TOXICITY MONITORING PROGRAM PLAN - GHS-069-93

In June 1991 the Surface Water Division (SWD) prepared a report describing the proposed activities for the development of real-time surface water toxicity monitoring. This letter transmits the final Surface Water Toxicity Monitoring Program guidance document in fulfillment of Milestone #61201022 WP61201. This document has been subjected to a Quality Assurance review, and all comments have been incorporated. Any revision to this program plan will be forwarded to your office.

If you have any questions, please call Holly Wolaver at extension 8652.
